**SEW CLEAN™ CLEARS CLOGS, ELIMINATES ODORS
FROM BLACK WATER SYSTEMS – QUICKLY & SAFELY**
Unique formula is non-toxic, biodegradable, non-corrosive

FORT LAUDERDALE, FL (USA) – Clogs and nasty odors can be removed quickly and safely from black water systems with Sew Clean™ from TRAC Ecological Marine Products.

Sew Clean is a safe, non-toxic, and biodegradable chemical that efficiently & economically cleans sewage systems – without dismantling any piping or creating a mess. It's non-corrosive to all metals, plastics, gaskets and other materials commonly found in black water systems.

Use Sew Clean to remove uric scale and clean sewage systems from toilet to tank. Available concentrated in (US)one gallon bottles, five gallon pails, 55 gallon drums and 250 gallon tanks. One gallon makes five to eight gallons of ready-to-use solution.

Priced from \$US68 per US gallon at leading marine retailers or visit www.trac-online.com.

Note to editors: A high resolution image of TRAC Ecological's Sew Clean for publication can be downloaded at:
