

**Trac Ecological's advanced descaling systems provide an environmental answer to internal, in-place cleaning, of all your vital onboard equipment!**

We designed the **Port-O-Flush®** to be a compact yet powerful tool built right into a rugged hand truck! Although other systems are portable, only the **Port-O-Flush®** can easily navigate rough or uneven terrain commonly found in shipyards and marinas.

**Port-O-Flush®** is our most popular flushing system with dealers & service technicians. Without a doubt the **Port-O-Flush®** is professional grade. From its touch schedule 80 construction to its pressure regulated, flow control system, every aspect of the **Port-O-Flush®** has been designed with the professional in mind.

**Port-O-Flush®** provides portability and versatility while still efficiently handling small to medium size engines, heat exchangers, air conditioning & refrigeration systems.

**TRAC's Port-O-Flush® is an essential tool to anyone responsible for water system maintenance!**
